

Making Words

LAFS.2.RF.3.3

Directions:

1. Teacher decides on a word to use.
2. Write each letter of the word on a separate index card (vowels and consonant should be different colors)
3. Students make words with the cards.
4. As a student makes a new word, it is recorded on a piece of paper.
5. Students will continue to make words until they have found the "mystery word" or they've exhausted possibilities.
6. Students will work with a partner to find patterns within the words they've created. (vowel sound, syllable type, word families, etc.)
