

**Download Keezy from the App Store**

**(only available on Iphone and Ipad)**

**Play around and see what sounds you can make.**

**“You get 8 keys. Press & hold to record a sound. Tap to play back.  
Shake to reset. That's it – easy Keezy!”**

**A few tips for recording and playback:**

- ✦ **Push the black dot and then the plus sign to create a new Keezy**
- ✦ **Record sounds you make in the room with your Actor's Tools – Body, Voice, Mind, Imagination**
- ✦ **Once you push play, a sound will play until it is finished. (It won't stop if you push it again)**
- ✦ **Be sure your device volume is adjusted AFTER you plug in the speaker to the device.**
